Our progress so far ...

Message from our Chairman Murali Krishnamurthy

Dear friends,

On behalf of all the volunteers of Sankara Eye Foundation, USA (SEF), I would like to thank you for your continued support which helped make the year 2003 a spectacular year for us. We now have more than 10,000 patrons and are growing rapidly and we are on our way to becoming a Million Dollar Charity this year. It took us just five years to get here and again, it would not have happened without your enthusiastic participation.

Sankara Eye Hospital (SEH), Coimbatore will perform around 45,000 FREE Eye Surgeries this year. Assistant Director Dr. J.K. Reddy is putting the next generation Lasik Laser System at SEH Coimbatore to best use. SEH Coimbatore is striving to become self-sufficient in the next few years. Self-sufficiency is an important factor in our strategy towards 'Vision 20/20 by 2020'.

Construction of our state-of-the-art SEH near Guntur is progressing well and is on target for inauguration in February/March 2004. Our website www.giftofvision.org will be updated with the exact date as soon as we come to know of it. Please mark your calendars and come and participate in the inauguration ceremony.

Our commitment to the SEH near Guntur is \$1.25M out of which we have already raised \$800,000 in donations and pledges and we need to raise the remaining \$450,000 as soon as possible to help complete the construction by February 2004.

December 2003 is a very important month for us and we are depending on your support. Please become a founding member of SEH near Guntur by donating \$1,000 and have your name or the names of your dear ones on the 'Wall of Founders' at this Hospital.

Our Goal is to perform up to 10,000 FREE Eye Surgeries at SEH near Guntur in 2004 and for that to happen we must complete the construction by February 2004.

The success of this project will enable us to boldly take our next big step on our march towards 'Vision 20/20 by 2020' in the year 2004 itself. Our next project is most likely to be 'Focus-Gujarat'!!!

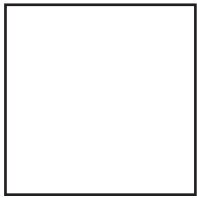

I would like to end with a Quote from our beloved Mahatma Gandhi -

'The best way to find yourself is to lose yourself in the service of others'

Thank You and wishing you all a very Happy and a Prosperous New Year.

--Murali Krishnamurthy
